Social Media Platforms

This website may use social sharing buttons which help share web content directly from web pages to the indicated social media platform. Use of such buttons is at your discretion, however, you should be aware that the respective social media platform may track and save your request to share a web page through your social media platform account.

This website may also display information provided by social media platforms. If you chose to comment, engage or take actions with the social content, either through this website or the social media, such participation is subject to the terms and conditions as well as the privacy policies held with each social media platform respectively.

External Links

Thinking Fitness is not, in any way, responsible for the content of any other website, including any website through which you may have gained access to our website or to which you may gain access from our website. We do not accept any liability in connection with any such sites or links.

Where we provide a hyperlink to a third party's website, we do so because we believe in good faith that such a website contains or may contain material which is relevant to that on our website. Such a hyperlink does not signify that Thinking Fitness have reviewed or approve of the connected third party's website or its contents.

You visit any external website, using links from this site entirely at your own risk.

Web Browsers

Websites published by Thinking Fitness generally support the current and prior major release of Microsoft Internet Explorer, Google Chrome, Mozilla Firefox, and Apple Safari on a rolling basis. Other web browsers are available, however the use of any such browser is untested and may not provide the optimum user experience.

Currently Supported Web Browsers

- Microsoft Edge
- Google Chrome (current stable version)
- Firefox 60.0+
- Safari 10+
- Internet Explorer 11 has limited support and some features may not be available

Thinking Fitness also recommends using a modern, up-to-date browser, to provide maximum security and performance.

Internet Explorer, Compatibility View

Internet Explorer is only supported when running in “Standards Mode”. If a browser warning message appears, stating that your browser is outdated, it may be running in “Compatibility View”. You can turn off “Compatibility View” by clicking the button on the Address bar.

If you are using a networked computer from an intranet domain, your browser may continually display websites in compatibility mode. To fix this, go to “Tools > Compatibility View Settings” and uncheck “Display intranet sites in Compatibility View”.

Software Disclaimer

Thinking Fitness provides any software on an “as is” basis without express or implied warranty of any kind. In no event shall Thinking Fitness be liable or responsible for any disruption or damages (including but not limited to, damages for loss of profits, business or information). Any software provided and written by Thinking Fitness from this site has been scanned and tested during production, however, you should scan any software with an up-to-date virus scanner before use. Thinking Fitness also recommends ensuring complete and comprehensive backup of all data before installing or using any provided software.

Jurisdiction

These terms shall be governed by and interpreted in accordance with the laws of England and Wales. The English courts shall have exclusive jurisdiction over any dispute arising out of your use of this website.

In the event that any of the terms as outlined are determined to be illegal, invalid or otherwise unenforceable to any extent, the affected term(s) shall be severed and deleted from these terms and the remaining terms shall continue to be valid, binding and enforceable to the fullest extent of the permitted law.

Changes to Terms & Conditions

Thinking Fitness keeps the Terms & Conditions under regular review. This page was last updated on 7th October 2016.

If you do not accept these Terms and Conditions, you must stop using this website immediately.
